

SABRE

AFFORDABLE LUXURY FIFTH WHEELS

MORE CONTENT. MORE PRACTICAL. MORE AFFORDABLE.

Sabre fifth wheels are designed to make luxurious RV living affordable. We invite you to compare Sabre to America's most popular floor plans. Sabre provides more standard features while offering greater affordability. **CHOOSE SABRE. GET MORE.**

Unique Lightweight & Compact Design.

Our 26BBR is versatile and functional for those wanting to stay as compact as possible without compromising space and amenities. The rear room is truly special with a designated office space that transforms into a spacious bunk room or even a sitting area with a foldable bunk mat/sofa. It's perfect for a remote office, arts & crafts, remote learning, sleeping space or simply a spot to get some private time away from the main living area.

SABRE 26BBR

			FRESH GRAY BLACK

Bunk Room with Hidden Pantry.

Our 32BHT is designed for families looking for private space for the kids or guests while staying within a length of 36 ft. The rear bunk area features 2 twin size beds and the tri-fold sofa in the living room expands into a full size bed. There's also a clever hidden pantry built into the entertainment center and many more hidden surprises to uncover!

			FRESH GRAY BLACK

Rear Living Room with Campsite Views.

Our 32GKS features a gorgeous rear living room that's flanked with huge windows letting in lots of natural light and the view of your campsite. It also boasts an impressive chef's kitchen and a large main suite while staying under a true length of 35 ft.

Versatile with Mid-Flex Room.

Our 36FLX is a fresh take on "mid-bunk" designs. Our Flex room is great not only as an extra sleeping area, but is set up for a mobile office as well! We also maximize storage and sleeping space with a large loft overhead the Flex room. In the rear is a gorgeous rear living room that's flanked with huge windows letting in lots of natural light and the view of your campsite.

			FRESH GRAY BLACK

Luxurious Front Living Room.

Our 37FLH is a gorgeous front living room design that boasts an incredible private owner's suite and a half-bathroom. The front living room area is perfect for movie nights and doubles as a bedroom with 2 tri-fold sleeper sofas. Stepping into the kitchen you'll immediately notice all the premium solid surface countertops, a large 12 volt fridge, air fryer microwave, a large oven and handmade real wood cabinetry.

			FRESH GRAY BLACK

Front Living Room for Families.

Our 37FLL brings the best of both worlds with a spacious front living room design and double loft setup that allows you to sleep up to 8 comfortably. Overhead the bathroom is a storage loft and a larger sleeping loft is over the main bedroom. The front living room has 2 tri-fold sleeper sofas that form into a SUPER bed along with a smart TV and ambient accent lighting that makes for great movie nights!

2 Full Bathrooms & 2 Bedrooms.

Our 38DBL is the ultimate family bunkhouse that can sleep up to 9 comfortably and has MASSIVE storage capacity. The rear bedroom has a full second bathroom, including a second shower, L-shaped lofts, spacious wardrobe, tri-fold sleeper sofa and a flip down bunk bed. Even the kitchen is fit for a chef with a large island, breakfast hutch, solid surface counters and much more!

SPECIFICATION DEFINITIONS

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR. **GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles. **UVW (Unloaded Vehicle Weight)*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated average based on standard build optional equipment. **CCC (Cargo Carrying Capacity)**** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
